

MAZDA CX-80 generation I

Dog Guard Artnr: 40726

Also suitable for cars with panoramic roof
For mounting behind the 1st rear seat row at the C-pillar.

ORIGINAL PRIVACY SCREEN CAN BE USED TOGETHER WITH THIS DOG GUARD

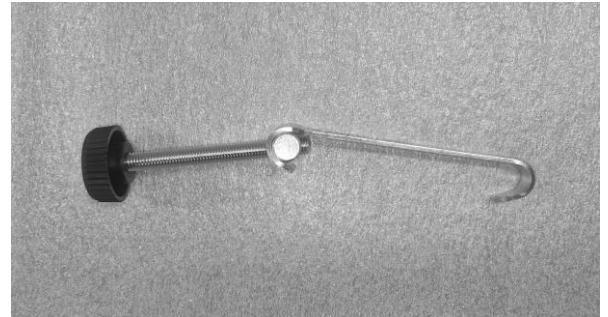

ASSEMBLY INSTRUCTIONS:

- Remove the privacy screen and fold forward the backrest of the rear seat, only to facilitate installation
- Slide out the bolts and "hook" the dog guard into the car's mounting holes as shown.
- Hook the hooks into the slot where the belt ends on the C-pillar, insert the steering wheel screws through the grating's sleeves, place the carcass pin in the hook's curve and screw it on with the steering wheel screw.
- Fold up the backrests and reinstall the privacy screen if desired
